Not being a wiseguy but can you re-check those dates? May 11 is a Saturday.

Subject: Meeting with Texas on Regional Haze

I had a conversation with Donna Huff and she was amenable to them coming up here to discuss Regional Haze.

She ask that I suggest some dates.

I looked at my calendar and the following dates looked OK for me.

May 6 in the afternoon
May 9
May 10
May 11.

Please let me know which dates work for you.

Wren, I wasn't sure if you wanted to attend. I know you are at the ADD meeting that week. We could push back a week but I feel like we want to have this conversation to inform the discussions with HQs.
